There's still time to fill out and return your 2017 Census of Agriculture! If you produce or grow any agricultural products, including field crops, fruits, vegetables, floriculture, and livestock, regardless of the size of your operation, return your 2017 Census of Agriculture as soon as possible.

To stay on track for data release in February 2019, the deadline for submitting the paper questionnaire is June 15, 2018. Farmers and ranchers who have not responded by June 15, 2018 still have until the end of July to complete the Census online through the secure website found on the cover of their Census form. Phone follow-up and personal interviews will also continue through July.
